NOTES

The bus normally can travel to St Georges Basin, Sanctuary Point, Erowal Bay, Old Erowal Bay, Hyams Beach, Bream Beach, Wrights Beach, Vincentia, Huskisson, Woollamia, Falls Creek and Tomerong. By arrangement the bus will sometimes go to Basin View or Wreck Bay if there is enough demand and the driver can fit the trip into the timetable.

This timetable is constructed to give maximum flexibility to the driver and to enable pickups from caravan parks and holiday residences around the area where possible.

On occasions the timetable may vary slightly at the discretion of the driver. Disputes with the driver will not be tolerated.

Until further notice all people on the bus must wear masks because it is not possible to allow 4 square metres per person.

Additional time between trips has been allowed so the driver can sanitise the bus regularly.
